Who can coordinate/be a member of a book club?

Reading Force is tri-service. We include the families of reservists and veterans as well as ex-forces families (through bereavement, divorce or separation).

I've not picked up a book for years. Can I coordinate a book club?

Yes, absolutely! Nicola, our Book Club Ambassador, will support you every step of the way, and beyond the free books from Reading Force.

I don't know what questions to ask about the books...

No problem! We have plenty of questions we can share with you to get the conversations going plus lots of ideas on how to host the meeting to encourage members to join in.
